## Grand Knight's Report

**Brother Knights:** 

As political violence and divisive rhetoric continue to

assault our nation while everyone still struggles through this pandemic, disappointment and even anger are understandable responses. Amid this chaos, I suggest shifting focus to the example of St. Joseph and reminding everyone that Pope Francis proclaimed a "Year of St. Joseph" from 12/8/2020 -12/8/2021. In his encyclical "Patris Corde" ("With a Father's Heart"), the Holy Father spoke on how St. Joseph's example can be helpful especially with respect to the crises we face:

Often in life, things happen whose meaning we do not understand. Our first reaction is frequently one of disappointment and rebellion. Joseph set aside his own ideas in order to accept the course of events and, mysterious as they seemed, to embrace them, take responsibility for them and make them part of his own history. Unless we are reconciled with our own history, we will be unable to take a single step forward, for we will always remain hostage to our expectations and the disappointments that follow.

#### Continued, P2

#### GK Report (continued from P1)

Joseph is certainly not passively resigned, but courageously and firmly proactive. In our own lives, acceptance and welcome can be an expression of the Holy Spirit's gift of fortitude. Only the Lord can give us the strength needed to accept life as it is, with all its contradictions, frustrations and disappointments.

With Lent starting this month and this year being dedicated to St. Joseph, we have an opportunity to participate in a Lenten Offering for the Consecration to St. Joseph. St. Andrew's will offer this 33-day consecration starting February 14th at 3PM. For more information, please visit the parish website at <u>https://www.standrewsva.org/year-of-st-</u> joseph and registration is available at <u>https://</u> <u>www.standrewsva.org/lent-2021</u>. I encourage all brother knights and their families to participate in this Consecration.

Vivat Jesus,

James Valenzuela, Grand Knight

### Saint of the Month Scholastica of Nursia

Scholastica was born around 480 in Nursia, Italy. She was the twin sister of St Benedict. Much of what is known of Scholastica is recounted in the *Dialogs* of St. Gregory the Great; it is widely accepted that she was dedicated to God at a young age. She and her brother were brought up together until he left to study in Rome.

Benedictine tradition holds that Scholastica established a hermitage at Plombariola, about five miles from Monte Cassino (the Benedictine Monastery) and that this was the first convent of Benedictine nuns. .

The most commonly told story about her is that Scholastica would, once a year, go and visit her brother at a place near his abbey, and they would spend the day worshiping together and discussing sacred texts and issues.

One day they had supper and continued their conversation. When Benedict indicated it was time for him to leave, Scholastica, perhaps sensing that the time of her death was drawing near, asked him to stay with her for the evening so they could continue their discussions. Not wishing to break his own rule, Benedict refused, insisting that he needed to return to his cell. At that point, Scholastica closed her hands in prayer, and after a moment, a wild storm started outside of the guest house in which they were staying. Benedict asked, "What have you done?", to which she replied, "I asked you and you would not listen; so I asked my God and he did listen. So now go off, if you can; leave me and return to your monastery." Benedict was unable to return to his monastery, and they spent the night in discussion. She died several days later; Benedict had a vision of her soul ascending into heaven.

Saint Scholastica is the patron saint of Benedictine nuns, education, and is invoked against storms and rain. Scholastica is traditionally regarded as the foundress of

the Benedictine nuns. St. Gregory the Great said of Scholastica, "She could do more because she loved more." She was Canonized by St Peter III Pre-Congregation. Her feast is celebrated on February 10.

## 2021 Scholarships

As we look to the New

Year, it is time to think about our Council's Scholarship Program. Our local Canfield Scholarship applications are due by April 1<sup>st</sup> and application forms are available on the website.

In addition, there are 2 other scholarship opportunities through the Knights of Columbus. They include the national organization (Supreme) and the Virginia Knights as well. Both are now available and are processed separately through those offices (with different deadline dates).

In coordinating the upcoming year's program and review process, the Council's Scholarship Committee has been meeting regularly. Any member of the Committee can be contacted for additional information.

## Knights of Columbus Prayer for Protection in the Time of Pandemic

O Mary, you always brighten our path as a sign of salvation and of hope. We entrust ourselves to you, Health of the Sick, who, at the Cross, took part in Jesus' pain while remaining steadfast in faith. O loving Mother, you know what we need, and we are confident you will provide for us as at Cana in Galilee. Intercede for us with your Son Jesus, the Divine Physician, for those who have fallen ill, for those who are vulnerable, and for those who have died. Intercede also for those charged with protecting the health and safety of others and for those who are tending to the sick and seeking a cure. Help us, O Mother of Divine Love, to conform to the will of the Father and to do as we are told by Jesus, who took upon himself our sufferings and carried our sorrows, so as to lead us, through the Cross, to the glory of the Resurrection. Amen.

Under thy protection we seek refuge, O Holy Mother of God. In our needs, despise not our petitions, but deliver us always from all dangers, O glorious and blessed Virgin. Amen.
